

## Becoming A Theology/Religious Studies Minor

We are pleased that you are considering the 18-credit Theology/Religious Studies minor at the University of Scranton. The 18-credit minor requires the following two (2) courses:

- T/RS 122 – Theology II: Introduction to Christian Theology.

The remaining 12 credits can be earned by completing successfully four (4) additional courses listed in the course catalog with a T/RS designation.
