

## The University of Scranton PANUSKA COLLEGE OF PROFESSIONAL STUDIES

# Master of Science in NURSING

Scranton's graduate nursing program is ranked  
No. 88 in the nation by *U.S. News & World Report*

## WHY SCRANTON?

Excellence in academic and professional competencies. Jesuit values. Successful outcomes. You'll find all of this – and more – when you choose The University of Scranton for your Master of Science in Nursing degree. Our dedicated faculty will work alongside you as you pursue a higher level of education through our nationally accredited programs.

### JESUIT VALUES

- Fosters academic, professional and personal development*
- Focus on social justice, empowerment, advocacy and leadership*
- Development of clients to their full potential*
- Emphasis on appreciation of diversity*

## AT A GLANCE

- Offers two distinct, nationally accredited master's degree programs: executive nurse leadership and family nurse practitioner
- Students exposed to faculty with extensive professional nursing practice experience and expertise
- Faculty widely published and active in research and national nursing organizations
- Programs are conveniently offered in a hybrid format with a combination of online and face to face classes to accommodate working adults
- High certification pass rate and employment following graduation
- Provides registered nurses with the knowledge and competencies necessary to become highly skilled, advanced practice nurses

## REAL WORLD RESULTS

### **FAMILY NURSE PRACTITIONER:**

Prepares nurses to assess, diagnose and treat common acute and chronic disorders, and to provide health promotion and disease prevention interventions and counseling in primary care settings.

### **EXECUTIVE NURSE LEADERSHIP:**

Prepares nurse executives to be leaders in the increasingly complex and rapidly changing health-care climate.

### **ONE-TO-ONE LEARNING** *Faculty Engagement*

### PERSONAL ATTENTION

- Learn from an incomparable faculty comprised of skillful educators who pride themselves in their teaching, research and service.
- Gain practical knowledge from faculty who bring significant clinical work experiences to the classroom experience.
- Work alongside a faculty member who will assist with personal academic planning throughout the program.

### **GETTING RECOGNIZED** *Results, reputation & ethics drive our education.*

The baccalaureate degree program in nursing, master's degree program in nursing, Doctor of Nursing Practice program, and post-graduate APRN certificate program at The University of Scranton are accredited by the Commission on Collegiate Nursing Education (<http://www.ccneaccreditation.org>).

**MASTER OF SCIENCE IN NURSING >> MISSION STATEMENT**

The Mission of the Department of Nursing at The University of Scranton is to prepare nurses at the baccalaureate, master's, and doctoral levels, who are grounded in the Catholic and Jesuit tradition, and committed to excellence in practice for the 21st century. Our graduates have the knowledge and competencies to deliver high-quality, evidence-based, holistic person-centered care.

**APPLY NOW**

We welcome applications on a rolling basis for all available terms for the Master of Science in Nursing programs. To apply to a graduate Nursing program and for additional admission requirements, please visit:

[scranton.edu/gradapply](http://scranton.edu/gradapply)

**SCHEDULE A VISIT**

Personal appointments with an Admissions representative are offered Monday through Friday and can provide insight to the application and admission process. Sign up online to register for your visit at: [scranton.edu/gradvisit](http://scranton.edu/gradvisit)

**CONTACT THE PROGRAM DIRECTOR**

You are encouraged to contact the Interim Program Director, Dr. Jo Ann Nicoteri, for information on the academic components of the nursing program. To contact Dr. Nicoteri, please email [joann.nicoteri@scranton.edu](mailto:joann.nicoteri@scranton.edu) or call 570.941.4345.

**DO MORE**

*Graduate Assistantships*

Graduate assistantships are available on a competitive basis to graduate students who seek to strengthen the breadth and quality of their educational experience. Graduate assistants work with faculty and staff in the areas of teaching, research and/or administration. The graduate assistant is awarded a tuition scholarship as well as a stipend. *More at:* [scranton.edu/ga](http://scranton.edu/ga)

*Career Development Services*

Nursing students have full access to the services of the Gerard R. Roche Center for Career Development, which include resume and cover letter writing, interview and job search techniques, and participation in employer on-campus recruiting visits and Career Expos. Students and alumni can access a wide range of employment opportunities through the office's online job posting system. The career team is available to consult for advice and support throughout your career. *More at:* [scranton.edu/careers](http://scranton.edu/careers)
